Southbound I-65 lane restricted during box truss foundation construction

Restriction scheduled from approximately 8:30 a.m. to 3:30 p.m. May 27

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the left lane of southbound I-65 will be closed from the 35th Street bridge to approximately 0.5 miles south of Ridge Road from approximately 8 a.m. and 3:30 p.m. May 27. This will allow crews to work on the box truss foundations in the center median of I-65. Box trusses support overhead signs. This work is part of the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when traveling through a construction zone. For more information about the Interchange Modification, visit www.in.gov/indot/div/projects/borman/ online.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
